ABOUT ME

I am a responsible, organized, and adaptable individual eager to broaden my knowledge and gain new experiences. With an open mind and a deep curiosity, I enjoy exploring new concepts, perspectives, and cultures. I am passionate about the future of technology and the impact it will have on the world, and I am always looking for opportunities to learn and grow both personally and professionally.

PUBLICATIONS

2019

"Elisabeta Cioban – A Journey of Rediscovered Passion", Published in Revista Bimestrială – Ardealul de Succes, October 2019

In this edition, I helped my grandmother, Elisabeta Cioban, share her life story and her rediscovery of a passion for art after retirement. My presentation highlighted her journey and the way she pursued her dream, becoming an inspiring example of perseverance and self-discovery.

HOBBIES AND INTERESTS

Chess

Participated in multiple chess competitions during childhood, developing strategic thinking, focus, and problem-solving skills.

Astronomy

Passionate about stargazing and the study of celestial bodies. Won a drawing competition related to astronomy, showcasing creativity and interest in the sciences.

Psychology

I am fascinated by human behavior and mental processes and I am passionate about understanding myself and those around me better.
